Bax No. 11	Observations where certain claims were found unsearchable (Ophtinuation of item 2 of first sheet
This internati	ional search report has not been established in respect of certain claims under A ticle 17(2)(a) for the following reasons:
1.	Claims Nos.: because they relate to subject matter not required to be searched by this Authority, namely:
2. [	Claims Nos.; because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:
з. 🔀	Claims Nos.: 4,6-8 and 10-14 because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6,4(a)
Box No. III	Observations where unity of invention is lacking (Continuation of item 3 of first sheet)
1.	As all required additional search fees were timely paid by the applicant, this international search report covers all scarchable claims.  As all scarchable claims could be searched without effort justifying additional fees, this Authority did not invite payme of any additional fees.  As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:
2.	scarchable claims.  As all scarchable claims could be searched without effort justifying additional feet, this Authority did not invite payme of any additional fees.  As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:  No required additional search fees were timely paid by the applicant. Consequent, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:
